ACCOUNTING

Transferring to RIC:

- Students transferring from CCRI to RIC with an associate's degree in business administration, accounting concentration, and a GPA of 2.4 or higher will automatically be accepted as accounting majors and will receive credit for ACCT 201 and ACCT 202. See Section 3 for a suggested program transfer plan.
- CCRI students transferring to RIC without an associate's degree in business administration, accounting concentration, will be subject to the policies of RIC regarding admission and transfer of credits (including proficiency examinations).

Transferring to URI:

- CCRI students planning to transfer to the URI College of Business Administration should major in general studies or liberal arts. The URI College of Business Administration only accepts transfer students at the junior level. CCRI students must have 60 credits, a GPA of at least 2.50 and have completed the following courses: MATH 1670, MATH 1680, ACCT 1010, ACCT 1020 (or ACCT 1110 and ACCT 1120), ECON 2010, ECON 2020, MATH 1550, MATH 1560, COMI 1100 and ENGL 1410. All other ACCT and BUSN courses are transferable as free electives until a waiver exam is completed at URI. For exam details, contact Assistant Dean Margaret Ferguson, URI College of Business Administration (874-2337). Students not meeting all these requirements may be admitted to University College.

ADVANCED PLACEMENT

The Advanced Placement Program (AP), sponsored by The College Board, offers advanced students the opportunity to take college-level courses while they are still in high school. Students may be able to earn credits toward their college graduation or take advanced coursework by demonstrating that they have earned the required score on an AP exam. Colleges and universities often grant credit to students who achieve specific scores on the culminating exams. Use the matrix below to locate the AP exam, the score required, the course equivalencies and the credits that can be awarded. Students should consult with an advisor to discuss how the AP credits can be applied to their programs. Further information on receiving credit for AP coursework can be found at the undergraduate admissions offices, from The College Board (phone: 609-771-7243; web: www.collegeboard.org/ap), or from the Educational Testing Service (phone: 1-888-CALL-4AP; e-mail: apexams@ets.org).

ART

- URI encourages all transfer students who wish to transfer program credit to either submit a portfolio or to register for ART 002 Sophomore Review. The purpose of the portfolio review is to advise students on course selection and career direction; portfolio reviews are not used in admission decisions.
- The URI College of Engineering does not accept studio courses for general education credit.
- RIC requires all students who wish to transfer program credit for studio art courses to have a portfolio review. This review will determine whether a student will receive art program credit for a corresponding course at RIC (see list below) or if the student will receive elective credit. The portfolio review is not used for admission consideration. The portfolio review is not required for ART 201 or for art history courses. Go to <http://www.ric.edu/art/transfer.php> to download RIC Portfolio Guidelines and view a sample slide show of RIC student foundations examples.

BUSINESS ADMINISTRATION / MANAGEMENT

Transferring to RIC:

- Students transferring from CCRI to RIC with an associate's degree in business administration and a GPA of 2.4 or higher will automatically be accepted and will receive credit for MGT 301, MKT 301 and MGT 343. Refer to Section 3 for a suggested transfer plan.

Transferring to URI:

- CCRI students intending to transfer to the URI College of Business Administration should major in general studies or liberal arts. The URI College of Business Administration only accepts transfer students at the junior level. CCRI students must have 60 credits, a GPA of at least 2.50 and have completed the following courses: MATH 1670, MATH 1680, ACCT 1010, ACCT 1020 (or ACCT 1110 and ACCT 1120), ECON 2010, ECON 2020, MATH 1550, MATH 1560, COMI 1100 and ENGL 1410. All other ACCT and BUSN courses are transferable as free electives until a waiver exam is completed at URI. For exam details, contact Assistant Dean Margaret Ferguson, URI College of Business Administration (874-2337). Students not meeting all these requirements may be admitted to University College.

CHEMICAL TECHNOLOGY

- Students who complete the A.A.S. program in chemical technology at CCRI will receive credit for all courses listed for URI or for RIC. Credit will be evaluated on a case-by-case basis for students who do not complete the A.A.S. program in chemical technology.
- Vocational/technical occupational courses shall be considered for transfer on an individual basis. The receiving institution may accept part or all of these courses as being applicable to the satisfaction of degree requirements.

CHEMISTRY / PHYSICAL SCIENCES

- To enroll in the B. S. chemistry curriculum at URI with junior status, you are required to have passed MATH 1910, 1920 & 2910, PHYS 2310 & 2320 and CHEM 2270, 2271, 2280 & 2281.
- Students wishing to pursue the baccalaureate program in chemistry at RIC should refer to Section 3 for a suggested transfer plan.
- RIC students who wish to receive RIC CHEM 410 credit from a URI course transfer may take either BCH 581 or CHM 441 at URI.

COMPUTER STUDIES

- CCRI students with an associate's degree in computer science intending to transfer to RIC should consider either a major in computer science (CSCI) or in computer information systems (CIS). Those interested in a CSCI major will receive credit for courses as indicated below. CCRI students with an associate's degree in computer science and a GPA of 2.4 or more will automatically be accepted as a CIS major and will receive credit for CIS 352 Management Information Systems and CIS 453 Systems Analysis and Design. CCRI students without an associate's degree in computer science will receive credit for CIS 352 Management Information Systems only.
- Languages used to implement the programming concepts may differ between the institutions. Students transferring from one institution to another must be ready to change computer languages.

COOPERATIVE EDUCATION

Credit for cooperative education will transfer as course credit in the student's major unless earned in a program which has no equivalent at the receiving institution, in which case, free elective credit will be granted.

CRIMINAL JUSTICE / LEGAL STUDIES

- Student interested in pursuing a baccalaureate degree in law/political science should refer to Section 3 for a suggested program transfer plan.
- Applications for admission to the Criminology and Criminal Justice at URI are reviewed only once each year, usually on or about March 1st. Students must apply by the end of February by submitting their names to the University College advisor for sociology or the Chairperson of the Department of Sociology and Anthropology.
- To be considered for admission to the Criminology and Criminal Justice BS program, students must have earned a minimum of 45 credits, including SOC 100, SOC 230, and SOC 274 by the application deadline. Additionally, students must have earned an overall quality point average of 3.0 (pending approval by the Faculty Senate).

ENGINEERING

- Vocational/technical occupational courses shall be considered for transfer on an individual basis. The receiving institution may accept part or all of these courses as being applicable to the satisfaction of degree requirements.
- RIC has no equivalent department; therefore, courses will be evaluated for credit on an individual basis.
- Students interested in pursuing a baccalaureate program in biomedical, chemical, civil, computer, industrial, electrical, mechanical or ocean engineering should refer to Section 3 for a suggested program transfer plan.

ENGLISH AS A SECOND LANGUAGE

- The public institutions of higher education in Rhode Island offer a variety of courses and support services for students for whom English is a second language (ESL). Most of the courses provide college-level credit and are in many instances transferable. Students should note that the equivalencies listed may be subject to a competency examination at the receiving institution. Competency examinations are designed to determine the appropriate level of coursework for students continuing in ESL courses.

HONORS PROGRAM

| URI | CCRI | RIC |
|---|------|-----|
| <p>Honors programs exist at all three state institutions to encourage academically talented students to engage in special learning opportunities, thus enhancing their intellectual growth. These honors programs share a commitment to academic excellence and student access.</p> <p>Students transferring to URI from CCRI who have completed honors courses at CCRI are encouraged to apply to the URI Honors Program. Admission to URI Honors Program courses requires a minimum 3.2 GPA. On a case by case basis, CCRI honors projects may qualify to satisfy the “3 credit, 100 level” portion of the URI Honors Program requirements. Interested students should submit a portfolio of their CCRI honors projects together with their CCRI transcript to the URI honors director.</p> <p>Students transferring to RIC from CCRI who have completed honors courses at CCRI are encouraged to apply to do honors work at RIC. Students will be accepted for honors work at RIC on a case by case basis. Normally, they must have a minimum 3.5 GPA and 24 hours in a diversified liberal arts curriculum. They must also submit an essay and an academic letter of recommendation with the application. Students who have at least 6 general education honors courses to fulfill at RIC may apply to the General Education Honors Program. Others are encouraged to take general education Core 3 (if applicable) and Core 4 in honors sections; to take Honors 351 (Colloquium) and 365 (Seminar) in their junior year; and to complete departmental honors in their respective majors in their senior year.</p> <p>For more information on the Honors Program call –</p> <p>CCRI 825-2239 or 333-7433 URI 874-2303 RIC 456-8671</p> | | |

HUMAN SERVICES / EDUCATION / HUMAN DEVELOPMENT

- Students majoring in human services at CCRI are automatically accepted into the human development, family studies department (human services and early childhood education programs) at URI if they have a minimum GPA of 2.0 and have taken the following courses: HMNS 2100 (or PSYC 2030), PSYC 2010, SOCS 1010 (or other 100- or 200-level sociology course), and MATH 1430. Students who plan to qualify for early childhood education certification should note that there is a minimum required GPA of 2.5. Students interested in pursuing a baccalaureate degree in human development and family studies: early childhood education should refer to Section 3 for suggested program transfer plans.
- Note that course equivalencies are dependent on program at URI. Please consult an HSS advisor.

MATHEMATICS

- Courses below the 1000 level at CCRI or the 100 level at RIC and URI are not assigned college-level credit.
- URI MTH 099 will satisfy RIC's college mathematics (competency) requirement.
- It is recommended that an entire calculus sequence be completed at the same institution.
- Students interested in pursuing a baccalaureate degree in mathematics should refer to Section 3 for a suggested program transfer plan.
- Beginning fall 1998, students transferring to RIC must have a 480 or better on quantitative SAT; place appropriately on a course equivalent to MATH 010 or 177 or higher (MATH 0500 + 0600, 1670, 1680, 1700 + 1710, 1900, 1910, 1920 or 2910); or pass the RIC mathematics placement exam.

POLITICAL SCIENCE

- Students transferring Law Department credits from CCRI to RIC Political Science Department may only transfer a combined maximum of fifteen (15) hours of criminal justice and legal studies and political science courses to the thirty-one (31) hour political science major at RIC. Not more than eight (8) hours of criminal justice and legal studies courses will be acceptable at the 300 upper-division course level. Further, POL 200 does not count toward the major in political science at RIC.
- Students interested in pursuing a baccalaureate degree in political science should refer to Section 3 for a suggested program transfer plan.

PRIOR LEARNING

The Community College of Rhode Island, the University of Rhode Island and Rhode Island College agree to accept as transfer credits those credits awarded by either institution through the assessment of a student's military experience or through the assessment of other prior learning experiences as documented in a student's portfolio. Contact the admissions office to arrange for an evaluation of credits.

College-Level Examination Program (CLEP) and Advanced Placement (AP)

Students can take tests through the College-Level Examination Program if they believe they have learned the equivalent knowledge to a college-level course through prior study, professional experience, or independent study. The tests are divided into the general examinations and subject examinations. Students earning at least the score listed on the CLEP or AP chart, will be granted credit at the institution where they are matriculated. Credit earned through the CLEP exam is transferable among CCRI, RIC, and URI. Students interested in the CLEP examinations should consult their advisor, or the institution's CLEP coordinator. More information on the CLEP exam can be obtained from the CLEP, P. O. Box 6601, Princeton, NJ 08541-6601, 609-771-7865 or at www.collegeboard.org. For more information on how CLEP tests or AP tests transfer, refer to those listings which are included alphabetically in this section.
