2008-2009 CATALOG

Bachelor of Arts

African/African-American Studies
Anthropology
Art History
Art (*formerly called Art Studio*)
Biology
Chemistry
Classical Studies
Coastal and Marine Policy Studies
Communication Studies
Comparative Literature Studies
Computer Science
Economics
Education: Elementary
Education: Secondary
English
Film Media
French
German
History
Italian
Journalism
Latin American Studies
Marine Affairs
Mathematics
Music
Philosophy
Physics
Political Science
Psychology
Public Relations
Sociology
Spanish
Women's Studies
Writing & Rhetoric

Bachelor of Fine Arts

Art
Theatre

Bachelor of General Studies

Applied Communications
Business Institutions
Health Services Administration
Human Studies

Bachelor of Landscape Architecture

Landscape Architecture

Bachelor of Music

Music Composition
Music Education
Music Performance

Bachelor of Science

Accounting
Animal Science and Technology
Applied Sociology*
Aquaculture and Fishery Technology
Biological Sciences
Biomedical Engineering
Chemical Engineering
Chemical and Ocean Engineering
Chemistry
Chemistry and Chemical Oceanography
Civil Engineering
Clinical Laboratory Science
Coastal and Marine Policy and Management*
Communicative Disorders
Computer Engineering
Computer Science
Dental Hygiene*
Economics
Education: Secondary
Electrical Engineering
Entrepreneurship Management
Environmental Economics and Management

* *This degree program is no longer open to new students and/or does not appear in the catalog.*

Environmental Horticulture and Turfgrass
Management (*formerly called Urban Horticulture
& Turfgrass Management*)
Environmental Science and Management
Finance
Financial Services*
General Business Administration
Geology and Geological Oceanography
Geosciences
Global Business Management “NEW”
Human Development and Family Studies
Human Science and Services*
Industrial Engineering
International Business
Kinesiology
Management*
Management Information Systems*
Marketing
Marine Affairs
Marine Biology
Mathematics
Mechanical Engineering
Microbiology
Nursing
Nutrition and Dietetics
Ocean Engineering
Pharmacy
Physics
Physics and Physical Oceanography
Resource Economics and Commerce
Sociology
Supply Chain Management
Textile Marketing
Textiles, Fashion Merchandising, and Design
Wildlife and Conservation Biology

Pharm.D.

Master of Arts

Communication Studies
Education (Adult Education, Elementary Education,
Reading Education, Secondary Education, Masters
with Teacher’s Certification Option)
English
History
Marine Affairs
Political Science
Spanish

Master of Science

Accounting
Biological Sciences

Cell and Molecular Biology
Chemical Engineering
Chemistry
Civil and Environmental Engineering
Clinical Laboratory Science (Biotechnology, Clinical
Microbiology, Hematology, Immunohematology,
Clinical Chemistry, Cytopathology)
Computer Science
Electrical Engineering
Environmental & Natural Resource Economics
Environmental Sciences (Entomology, Geosciences,
Natural Resources Science, Plant Sciences)
Fisheries, Animal, and Veterinary Science
Human Development and Family Studies (College
Student Personnel, Human Development and
Family Studies, Marriage and Family Therapy)
Kinesiology
Labor Relations and Human Resources
Manufacturing Systems Engineering (*formerly
Manufacturing Engineering*)
Mathematics
Mechanical Engineering & Applied Mechanics
Nursing
Nutrition and Food Sciences
Ocean Engineering
Oceanography
Pharmaceutical Sciences
(Medicinal Chemistry and Pharmacognosy,
Pharmaceutics and Pharmacokinetics,
Pharmacoepidemiology and Pharmacoeconomics,
Pharmacology and Toxicology)
Physical Therapy
Physics
Psychology: School
Speech-Language Pathology
Statistics
Systems Engineering “NEW”
Textiles, Fashion Merchandising, and Design

Doctor of Philosophy

Applied Mathematical Sciences (Applied
Mathematics, Computer Science, Operations
Research, Statistics)
Biological Sciences
Business Administration (Finance and Insurance,
Management, Management Science, Marketing)
Cell and Molecular Biology
Chemical Engineering
Chemistry
Civil and Environmental Engineering
Education
Electrical Engineering

** This degree program is no longer open to new students and/or does not appear in the catalog.*

English
Environmental & Natural Resource Economics
Environmental Sciences (Entomology; Fisheries,
Animal, and Veterinary Science; Geosciences;
Natural Resources Science; Plant Sciences)
Industrial and Manufacturing Engineering
Marine Affairs
Mathematics
Mechanical Engineering & Applied Mechanics
Nursing
Nutrition and Food Sciences
Ocean Engineering
Oceanography
Pharmaceutical Sciences
(Medicinal Chemistry and Pharmacognosy,
Pharmaceutics and Pharmacokinetics,
Pharmacoepidemiology and Pharmacoeconomics,
Pharmacology and Toxicology)
Physics
Psychology (Clinical, Experimental, School)

PROFESSIONAL DEGREES

Doctor of Audiology (AUD)*
Doctor of Physical Therapy (DPT)
Master of Business Administration (MBA)
Master of Environmental Science and Management
(MESM) (Conservation Biology, Earth and
Hydrologic Science, Environmental Policy and
Management, Remote Sensing and Spatial
Analysis, Sustainable Systems, Wetland,
Watershed, and Ecosystem Science)
Master of Library and Information Studies (MLIS)
Master of Marine Affairs (MMA)
Master of Music (MM)
Master of Oceanography (MO)
Master of Public Administration (MPA)
Teacher Certification

CERTIFICATE PROGRAMS

Print Media & Web Design
Dietetic Internship “NEW”

** This degree program is no longer open to new students and/or does not appear in the catalog.*
